**passion**  
**integrity**  
**excellence**  
**and CUSTOMER FOCUS**

**PROVIDING QUALITY PRODUCTS AND SPECIALISED SERVICES TO THE COMMERCIAL AND INDUSTRIAL ELECTRICAL AND INSTRUMENTATION INDUSTRY**

### **FOUNDED ON PASSION AND PURPOSE**

Founded in 2016, Dynamic Peaktop specialises in all commercial and industrial electrical and instrumentation services. We are dedicated to working together with our clients, while providing professional services and building strong partnerships with all our stakeholders. Our unique combination of exceptional customer service and quality products is unsurpassed in the industry, placing Dynamic Peaktop at the forefront of our clients' minds when choosing a supplier.

We take the time to understand each client, their needs and their product requirements, hence the delivery of services and products that are technically precise and ultimately suited to each request. Our products and services are competitively priced, without compromising on the high quality supplied by our principle manufacturers. We are committed to comply with ISO 9002 requirements, German standards and other recognised statutory requirement and international standards such as SABS, ensuring adherence to our established and effective quality management system.

With great importance placed on employee health and safety, Dynamic Peaktop is committed to creating a safe and healthy environment, and the establishment of work levels and steps that prevent potential accidental loss. We are passionate about educating and training employees on the matters of health and safety, including HIV and AIDS education initiatives.

With the resources to meet the challenges of any electrical and instrumentation project, Dynamic Peaktop fosters a working culture of responding timeously to the anticipated and changing needs of our customers. Our qualities of honesty, reliability, accountability and good business ethics have become pivotal to our success, and we have gained a reputation within our industry that ensures our position as market leaders.

## OUR MISSION

---

Upon identifying a gap in the market for the timeous delivery of well-priced quality services and products, Dynamic Peaktop was founded. Our mission is to ensure the consistent delivery of our objectives, which include technical precision, exceptional customer service, quality and timely delivery. We guarantee that our clients receive their requests ontime, all the time, and we support this statement by ensuring personalised service and manageable workloads.

We aim to build strategic relationships with our suppliers, and to continuously provide our clients with products and knowledge that fulfill their wants and needs at the right price. Our friendly, knowledgeable, experienced and professional staff inspire, educate and problem-solve for our clients, ensuring long-standing relationships built upon trust and transparency.

## OUR VALUES

---

-  **Passion** -- We have a passion for creating value for all our stakeholders, at the right price.
-  **Integrity** -- We are committed to the highest level of integrity in every aspect of our business. Dynamic Peaktop promotes business ethics and is dedicated to respecting, creating and maintaining trustworthy business relationships with our clients, suppliers, and employees.
-  **Excellence** -- We aim to be the best in quality and in everything we do. As a customer centric business, we ensure exceptional customer service at all times.

## CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

---

We are a company that is dedicated to giving back to the community, and we believe in, and support the development of disadvantaged and vulnerable communities. Dynamic Peaktop supports empowerment through job opportunities and community upliftment, ensuring the development of others, enhanced standards of living, and the betterment of our country

## MEET THE TEAM

Dynamic Peaktop was founded by Itai Chimwanda. Supported by their dedicated team, Itai brings with them extensive experience in the electrical and instrumentation field, as well as the passion required to ensure that Dynamic Peaktop continues to deliver exceptional customer service and quality product delivery. In addition to over 25 years experience of servicing industries in Zimbabwe, Zambia, Mozambique, Swaziland and South Africa, our team has over 25 years experience in the sugar, water, sanitation, power generation and food industry, ensuring that we don't just supply products, but offer solutions to the challenges experienced within the industry.

## HOW WE CAN ADD VALUE

Dynamic Peaktop alleviates the stress felt by our clients when sourcing high quality and affordable commercial and industrial electrical and instrumentation services and products. As specialists in this industry, we are able to provide the most suitable products and services for our clients' requirements at all times.

We ensure that our clients' individual needs are met, through building long term, trusting and transparent client relationships. Our customised solutions are based on the premise that no two clients are the same.

Our services are efficiently executed and our products are delivered on time, thus adhering to service level agreements and ensuring excellence while delivering optimal results. Throughout our business, we ensure that our clients have access to high quality specified services and products, which may have not been available without our involvement. In addition we adhere to an established quality management policy and an effective safety policy, ensuring total peace of mind for our clients.

We offer 24hr Breakdown Support services which has been beneficial to the sugar industry in Eswatini and Mozambique and water & sanitation around Johannesburg

## GOING GREEN

As global sustainability and the preservation of our planet becomes paramount, we accept our role as a community leader through our position and use of recycling systems, responsible sourcing, safety, and eco-friendly products.

## SERVICES WE OFFER

- ✎ Installation of weighing equipment and calibration
- ✎ Testing and certifying of protection equipment and relays
- ✎ Full instrumentation and electrical engineering supply and installations - Turnkey Projects
- ✎ Full programmable logic controller (PLC) services for the majority of brands including Siemens, Scheider, Allen Bradley etc
- ✎ Field instrumentation and CCTV installation and maintenance services
- ✎ Panel rewiring, variable speed drives, (VSD's) and low and medium voltage motor control systems
- ✎ Support level agreements SLA's)
- ✎ Running and termination of electrical and instrumentation cables including loop tests
- ✎ General maintenance on shutdown days, servicing of electrical equipment and calibration on instrumentation equipment
- ✎ Lighting & earthing protection design and installation
- ✎ Telemetry Systems

## PRODUCTS WE OFFER

### **CONTROL COMPONENTS (SCHNEIDER ELECTRIC, ABB, CBI)**

- ✂ Contactors and Overload Relays
- ✂ Limit Switches
- ✂ Proximity Switches
- ✂ Electric Motors and Transformers
- ✂ Fuses and Accessories
- ✂ Variable Speed Drives
- ✂ Programmable Logic Controllers
- ✂ Discrete Process Controllers

### **ELECTRICAL DISTRIBUTION (CBI, MITSUBISHI, MERLIN GERIN, ABB)**

- ✂ Moulded Case Circuit Breakers
- ✂ Miniature Circuit Breakers
- ✂ Air Circuit Breakers
- ✂ Low Voltage and Medium Voltage Isolators
- ✂ Low Voltage Distribution Panels
- ✂ Star/Delta and DOL Starter Panels

### **LIGHTING AND POWER ACCESSORIES (TRIDONIC, OSRAM, LOHUIS, PHILIPS)**

- ✂ Ballasts and Chokes
- ✂ Fluorescent tubes, Ignitors and Starters
- ✂ PVC and Steel Conduits and Accessories
- ✂ Industrial and Domestic Lamps
- ✂ Cable - Armoured, Flexible, Heat Resistant and Shielded Cable
- ✂ Cable Accessories - Lugs Cable Ties Busbar Supports, Insulators

### **POWER ELECTRONICS (EUPEC, WESTCODE, SEMIKRON)**

- ✂ Thyristors and Diodes
- ✂ Transistors
- ✂ Rectifiers
- ✂ Resistors, Capacitors, Chokes
- ✂ Power Supplies

## RECENT PROJECTS

### Imerys Gecko Holding (Namibia) Graphite Processing Plan

-  Turn Key project E&I Dewatering Plant
-  Condition assessment, supply and installation of PLC spares and commissioning
-  **Project Value: R2.3 million**

### Randwater

-  Telemetry Systems upgrades on 80% of the Reservoir
-  CCTV Cameras- Supply and Installation
-  Pump Station PLC Upgrades
-  **Project Value: R4.3 million**

### Eskom Ash Plant

-  PLC upgrade Siemens S5 to S7
-  Condition assessment, supply and installation of PLC spares and commissioning
-  **Project Value: R0.85 million**

### Ingrain SA

-  Starch Boilers PLC and Maintenance
-  Maize Silo Level Measurement upgrade
-  **Project Value: R0.9 million**

### Tongaathulett

-  Starch Boilers PLC and Maintenance
-  **Project Value: R1.8 million**

### Evander Gold Mine

-  Chairlift Controls
-  **Project Value: R0.75 million**

MP

### Magand Projects ( On going )

-  NEC3 -Turn Key E&I project – Refurbishment of Waste Water Treatment Plant ( Rooiwal City of Tswane ) - Includes MCC design, manufacture and installation, dewatering plant conveyer upgrade
-  **Project Valuation: R4.7 million**
